

**Declaration by the author on having transferred to the University the right to process
the thesis in a plagiarism detection system**

.....
First name and surname

.....
Student registration no.

I hereby declare that I grant the Poznań University of Life Sciences, free of charge and for an indefinite period of time, the right to use my diploma thesis entitled:

.....
.....
.....

specifically:

- to enter and process the manuscript of my diploma thesis within the plagiarism detection system. Processing refers solely to the process of comparing the contents of my diploma thesis with other documents and generation of the *Plagiarism report* by the plagiarism detection software system.
- to enter this diploma thesis in the University electronic database,
- within the University database to make this diploma thesis available to other institutions of higher education for the purposes of comparative analyses with the use of plagiarism detection systems. The University may authorise a third party to use this licence.
